HING STORE

They've already taken down the Christmas decorations. We sometimes forget how fast time flies. I wish I could make time stand still.

Well there is no time for such wishes here. We have to get things done. Bills and debts have to be paid. It's all so tiring.

HING STORE

I wonder if I even achieved everything I wanted to in 2019. Did you?

Hi guys.
Happy New Year!

RESTAURANT

Levi and Ben, this is Anna my friend,
and with her is Lisa.

Hi ladies.
I'm Ben.

I hear we are planning our finances for
the year? Well, sometimes I don't see the
point anymore, because everything I plan
always fails, especially if it has anything
to do with money.
Resolutions don't work!

Relax Ben. Lisa here will help
you come up with a simple and
solid plan you can follow.

LESSON NUMBER ONE

- 1 Make time to re-evaluate your financial position.
- 2 Re-assess your financial needs.
- 3 Evaluate your budget to make sure you're on track with your normal monthly spending.

4

It is your responsibility to ensure that you honour your contractual obligation including paying premiums on time.

5

To avoid a poor credit score, ensure that you pay your installments on the agreed upon day.

6

If you saved from your holiday, boost your credit score by using your savings to pay more towards your debt.

Protect yourself against financial harm. For more information, visit www.namfisa.com.na or www.educates.namfisa.com.na

LESSON NUMBER TWO

Savings tips for the low-income earner:

**Try these saving tips. It might work for you.
Put N\$20 in your saving every day over
five days.**

After 1 week = N\$100
After 2 weeks = N\$200
After 3 weeks = N\$300
After 4 weeks = N\$400

An amount of N\$400 a month x 12 month = **N\$4800**,
this is a good amount of money from a humble beginning.

Protect yourself against financial harm. For more information, visit www.namfisa.com.na or www.educates.namfisa.com.na
