NOTICE

REF NO: FIN/2017/03/24
TO: PENSION FUNDS SECTOR
FROM: KENNETH S. MATOMOLA
DATE: 28 MARCH 2017
SUBJECT: INDUSTRY CONSULTATION – AMENDMENT OF NAMFISA’s LEVY STRUCTURE

INTRODUCTION

NAMFISA was established by an Act of Parliament empowering the Authority to exercise supervision over the business of financial institutions and financial services; and to advise the Minister of Finance on matters related to the financial sector.

In accordance with section 25 of the NAMFISA Act, 2001 (Act No. 3 of 2001), the Minister must, on the recommendation of the Board, impose by notice in the Gazette levies on financial institutions.

BACKGROUND

In 2016, the Authority compiled its Reserve, Funding and Levy policies. These policies guided the principles and processes that the Authority will apply to determine the new levies going forward.

The reserves policy clarifies the Authority’s objective in terms of the desired level of reserves that it will be required to hold as well as the circumstances under which it will be allowed to access same.

Additionally, the funding policy is based on principles which are fair towards all stakeholders and provides transparency to the way in which the Authority is funded. Furthermore, the aim of our levy policy is to set the approach of the Authority to be
followed in imposing levies to ensure that the process is transparent, efficient and effective.

PURPOSE

The purpose of this notice is to invite the Pension Funds sector to comment on the attached documents, being annexure A, the Principles and Processes for our levy setting and annexure B, the proposed levy gazette.

In order to ensure that all stakeholders’ remarks on the annexed documents are sufficiently addressed, I would like to request that all annotations are sent in advance and should be addressed to Ms. Lovisa Indongo-Namandje, Acting General Manager: Provident Institutions via email address lindongo@namfisa.com.na on or before 21 April 2017.

Your industry consultation is scheduled as follows:

Kenneth S. Matomola

CHIEF EXECUTIVE OFFICER
1. PRINCIPLES APPLIED

The policies which have guided the Authority in drafting the proposed new levy gazette structure are based on the following principles:

**Reserves**

The Reserves policy clarifies the Authority’s objective in terms of the desired level of reserves that it will be required to hold as well as the circumstances under which it will be allowed to access these.

**Funding**

The Authority’s Funding policy is based on principles which are fair towards all stakeholders and provides transparency to the way in which the Authority is funded. It is built on the following principles:

<table>
<thead>
<tr>
<th>Principle</th>
<th>Elaboration</th>
</tr>
</thead>
<tbody>
<tr>
<td>Buffer</td>
<td>Levy income supports NAMFISA’s objective of holding enough resources as required by its Reserves policy.</td>
</tr>
<tr>
<td>Cost recovery</td>
<td>Levies are sufficient to raise only enough funds to cover the envisaged cost of regulation over a 5 year rolling strategic period.</td>
</tr>
<tr>
<td>Equity</td>
<td>Users in similar industry categories pay similar levies</td>
</tr>
<tr>
<td>No cross-subsidization</td>
<td>Costs of regulation development and implementation is allocated in such a way that it reflects the cause of regulation and/or the incidence of benefits from regulation</td>
</tr>
<tr>
<td>Reliability</td>
<td>Levy income is as stable and certain as possible</td>
</tr>
</tbody>
</table>

**Levies**

The Levy policy satisfies the following main principles:

<table>
<thead>
<tr>
<th>Principle</th>
<th>Elaboration</th>
</tr>
</thead>
<tbody>
<tr>
<td>Facilitate compliance</td>
<td>The levy model facilitates compliance in that it is easy to understand and carry minimal compliance costs</td>
</tr>
<tr>
<td>Payment Terms</td>
<td>Payment of levies occur within a reasonable time after the regulated entity have / should have received payment from its customers</td>
</tr>
</tbody>
</table>
2. LEVY SETTING PROCESS

2.1 Funding required per regulated industry

Funding required per regulated industry will be determined as follows:

<table>
<thead>
<tr>
<th>Description</th>
<th>Note</th>
</tr>
</thead>
<tbody>
<tr>
<td>Business as usual expenditure budget</td>
<td>a)</td>
</tr>
<tr>
<td>Plus: Projects expenditure budget</td>

<tr>
<td>Plus: Required reserves at end of budget period</td>
<td>b)</td>
</tr>
<tr>
<td>Less: Reserves at beginning of budget period</td>
<td>b)</td>
</tr>
<tr>
<td>Less: Fee income</td>
<td>c)</td>
</tr>
<tr>
<td>Less: Interest income</td>
<td>c)</td>
</tr>
<tr>
<td>Less: Penalty income</td>
<td>c)</td>
</tr>
<tr>
<td>Less: Other income</td>
<td>c)</td>
</tr>
<tr>
<td>Less/Plus: (Net surplus)/net deficit</td>
<td>d)</td>

<tr>
<td>Less/Plus: Cash flow (received) / paid in respect of financing activities</td>
<td>e)</td>
</tr>
</tbody>
</table>

Funding required through levies per industry

Note:

a) Business as usual, projects and capital expenditure budgets

The Authority’s budget supports the execution of its mandate as contained in its five year rolling strategic plan. The budget is subject to review and approval by the NAMFISA Board and the Ministry of Finance.

b) Required reserves

The amount of required reserves are calculated and presented to the Board in conjunction with the budget.

The amount of required reserves to be held by the Authority in the reserve account is calculated as follows:

<table>
<thead>
<tr>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Project reserves</td>
</tr>
<tr>
<td>Plus: Income shortfalls</td>
</tr>
<tr>
<td>Plus: Unforeseen expenditure</td>
</tr>
<tr>
<td>Required reserves</td>
</tr>
</tbody>
</table>
Project reserves relate to a provision that may be made for expected significant once-off costs and expenditures relating to future expected projects which fall beyond the current budget period.

c) Fee, interest, penalty and other income

Expected income from sources other than levies are applied to reduce the amount of funding to be recovered through levies.

d) (Net surplus)/net deficit

Net surpluses/deficits recorded by the Authority is utilized to reduce (in the case of a net surplus position) or increase (in the case of a net deficit position) the amount of funding required through levies.

The amount of net surpluses/deficits referred to is determined as the amount after the deduction of required reserves.

e) Cash flow (received) / paid in respect of financing activities

Cash flow received or paid in terms of financing activities are applied to either reduce or increase the amount of funding to be recovered through levies.

2.2 Levy per regulated industry

Levies required for each regulated industry as determined by paragraph 2.1 above is imposed as a percentage of each industry’s levy basis. The percentage levy imposed on each industry is therefore determined as follows:

\[
\text{Cost of regulation and supervision per regulated industry} \times 100
\]

Levy basis

In the case of pension funds the levy basis is that of the pension fund’s total assets.

In the case of retirement annuity funds the levy basis is that of the retirement annuity fund’s total assets.
2.3 Recovery of levies

Levy payments will be due to the Authority as follows:

a) First provisional levy payments are due for payment on or before the 25th day of the month following the end of the first six months after the commencement of the pension fund’s or retirement annuity fund’s financial year, and

b) Second provisional levy payments are due for payment on or before the 25th day of the month following the end of the pension fund’s or retirement annuity fund’s financial year, and

c) Final levy payments are due for payment within 12 months after the end of the pension fund’s or retirement annuity fund’s financial year.
IMPOSITION OF LEVIES ON NAMIBIA FINANCIAL INSTITUTIONS: NAMIBIA FINANCIAL INSTITUTIONS SUPERVISORY AUTHORITY ACT, 2001

In terms of section 25(1) of the Namibia Financial Institutions Supervisory Authority Act, 2001 (Act No. 3 of 2001), and on the recommendation of the Board of the Namibia Financial Institutions Supervisory Authority (“the Authority”), I hereby impose levies on financial institutions in Namibia in accordance with the provisions as set out in the Schedule.

Government Notice No. 78 of 1 April 2003 as amended by Government Notice No. 64 of 1 April 2004 is revoked with effect from 1 June 2017. (b) A second provisional levy payment calculated as the collective value of 0.015% x 1/12 of the total value of the assets controlled by the investment manager at the end of every month during the last six months of its financial year, after deduction of the first provisional levy payment, payable as per subparagraph 3.2 (b); and

(c) A final levy payment or refund claim calculated as the collective value of 0.015% x 1/12 of the total value of the assets controlled by the investment manager at the end of every month of the financial year less the collective value of provisional levies already paid during that financial year which shall be payable in the case of a final levy payment due as per subparagraph 3.2 (c).

2.32 Within 12 months after the end of its financial year the investment manager shall cause its auditor to confirm the total value of assets controlled by the investment manager, as at the end of every month of that financial year, to the Authority should such values not be disclosed separately in its audited annual financial statements.

Levy on linked investment service providers

2.33 Every linked investment service provider whose business consist wholly or partly of implementing and/or capturing investment instructions received from investment managers on behalf of clients in units in a collective investment scheme on the basis that such units are purchased and held in bulk or repurchased in bulk and approved as a linked investment service provider under section 4(1)(f) of the Stock Exchanges Control Act, 1985 (Act No. 1 of 1985) must pay an annual levy equal to 0.053% of the total value of the assets administered or held in safe custody by the linked investment service provider in the following manner:

(a) A first provisional levy payment calculated as the collective value of 0.053% x 1/12 of the total value of the assets administered or held in safe custody by the linked investment service provider at the end of every month during the first six months of its financial year payable as per subparagraph 3.2 (a);

(b) A second provisional levy payment calculated as the collective value of 0.053% x 1/12 of the total value of the assets administered or held in safe custody by the linked investment service provider at the end of every month during the last six months of its financial year, after deduction of the first provisional levy payment, payable as per subparagraph 3.2 (b); and

(c) A final levy payment or refund claim calculated as the collective value of 0.053% x 1/12 of the total value of the assets administered or held in safe custody by the linked
investment service provider at the end of every month of the financial year less the collective value of provisional levies already paid during that financial year which shall be payable in the case of a final levy payment due as per subparagraph 3.2 (c).

2.34 Within 12 months after the end of its financial year the linked investment service provider shall cause its auditor to confirm the total value of the assets administered or held in safe custody by the linked investment service provider, as at the end of every month of that financial year, to the Authority should such values not be disclosed separately in its audited annual financial statements.

Payment of levies

3.1 Financial institutions must calculate the amount of levies which are due to the Authority and pay such amount into the bank account of the Authority.

3.2 Levy payments are due to the Authority as follows:

(a) First provisional levy payments are due for payment on or before the 25th day of the month following the end of the first six months after the commencement of the financial institution’s financial year, and

(b) Second provisional levy payments are due for payment on or before the 25th day of the month following the end of the financial institution’s financial year, and

(c) Final levy payments are due for payment within 12 months after the end of the financial institution’s financial year.

3.3 Where the days referred to under subparagraph 3.2 fall on a Sunday or Public Holiday the levy shall be due for payment on or before the next business day.

3.4 If the collective value of the first and second provisional levy payments made are less than 90% of the final determined levy due as per the final levy return, interest shall be charged on the amount by which the first and second provisional levy payments collectively are less than 90% of the finally determined levy due as per the final levy return.

3.5 Interest shall be charged on the amount determined by subparagraph 3.4 from the date when the second provisional levy payment was due up to the date when the final levy payment has been received by the Authority at a rate as per subparagraph 4.1.

3.6 First, second and final levy payments should be accompanied by returns completed and submitted in the form and manner as determined by NAMFISA from time to time.

3.7 Levy payments must be made directly into the bank account of the Authority at:
Account No. 6206 2664 141
